

FOR ALL YOUR RESTAURANT NEEDS

NORA's goal is to help those entering the food services business become successful, and those who are already in the business maximize their profit.

The services NORA represents are those typically needed every day in any restaurant. This group is made up of professionals who are dedicated to their clients' needs. As a group we educate and collaborate with each other to bring the best solutions available to our restaurant clients.

To achieve your goals, we help along the way— from finding a location and choosing a concept, to utilizing the latest equipment and eMarketing available to maximize your restaurant's traffic.

Available Services Include:

- POS Systems*
- Food Supply*
- Inventory Control Systems*
- eMail Marketing*
- Kitchen Equipment*
- Credit Card Services*
- Tax Services*
- Television & Radio Advertisement*
- Music, Voice & Sound*
- ... and so much more*
